Dawood Afzaal

Web Developer | PHP|
Laravel | Wordpress|

📱 92 3111485159   ✉ dawoodchohaan46@gmail .com

PROFESSIONAL SUMMARY

Experienced Frontend Developer and contributed to Backend developer with 3+ years of professional experience specializing in building responsive, user-focused web application Skilled in modern frontend technologies and frameworks, with additional hands-on experience in backend development using PHP and Laravel. Proven ability to deliver complete end-to-end projects, ensuring performance, scalability, and clean code quality.

WORK EXPERIENCE

Techsols International

📅 2023

Frontend Developer & Backend Support Developer

At Techsols International, I worked as a key Frontend Developer and contributed to backend development support. I was responsible for building responsive, user-friendly interfaces and collaborating closely with backend teams to ensure seamless API integration and performance optimization. During my time here, I delivered several end-to-end web solutions, ensuring high-quality code, accessibility, and cross-browser compatibility.

SpeedWay IT Solutions

📅 2025 - Present

Full Stack Developer

At SpeedWay IT Solutions, I lead the development of complete web applications as a Full Stack Developer. I manage both frontend and backend aspects of multiple projects from planning and architecture to deployment. My role involves delivering fully functional, scalable, and secure end-to-end projects, while ensuring an excellent user experience and clean, maintainable code across the entire stack.

Technical Skills

PHP | Laravel | JavaScript | Wordpress|
MySQL | Shopify | Statamic | Hostway |
jQuery | Square Space | Wix

Soft Skills

Git Repository | SQL | Vue | React | Next js |

Python | Project Planning | Webflow

EDUCATION

Bachelor of Computer Science

University of Okara
Graduated: 2025

FINAL YEAR PROJECT

Developed a final year project: Inventory Management System using Laravel and Vue.js.
